THANK YOU

I wish to take this opportunity to thank those whose unselfish efforts have made this book possible. Especially do I wish to thank Walter Wallerstedt, Kenny Edwards and Maury Norrell for their fine cooperation.

THANK YOU!

WAYNE LOOMIS,
Editor.

PAUL WALDORF

HEAD FOOTBALL COACH

Behind the Fort Hays State gridiron machine, planning new methods of attack, spotting weaknesses, and work to overcome them is Coach Paul Waldorf. Starting his fourth year as mentor of the "Western Kansas University" Waldorf has no easy task set before him. He has only nine lettermen back from last year's squad around which to build his team. Graduation took heavy toll, both in the line and backfield. The Fort Hays State mentor is faced with the necessity of filling these gaps.

Paul began his career at Baker University, where to this day a not too old "grad" will reminisce, "Remember when Paul Waldorf played halfback". Waldorf furthered his education in the University of Arizona where he received his Master's degree. He also has two summers of work at the University of Wisconsin.

During his coaching experience, Waldorf had two years at Wentworth Military Academy, in Missouri. He came to Fort Hays from McKendree College, Lebanon, Illinois, where he coached for three years. During the seasons of 1933 and 1935 McKendree College was runner-up in the "Little Nineteen Conference".

"BUSCH" GROSS

"Busch" is a former Fort Hays State athlete. At present he is director of athletics, and B squad coach. "Busch" is the man behind the sports calendar, arranges schedules, coaches basketball, and is general head of the athletic department.

Gross has been coach and an instructor at Fort Hays State for nine years. His record has been unusually good; during five of the past six years he has groomed potential championship teams that have finished high in the Central Conference standings. Grosse coached formerly at Augusta before coming to Fort Hays State, which has been a continuation of the success he enjoyed at Augusta.

"BILL" BEARLEY

Bearley, a former Fort Hays State graduate, returned to his Alma Mater in 1935, to become director of physical education and assistant football and track coach. "Bill" was a former Fort Hays State fullback, his play was characterized by fine blocking, deadly tackling, and line plunging; and at all times a constant inspiration to his teammates.

"Bill" is also supervisor of the intra-mural activities for men. These activities include all forms of recreational sports.

As assistant football coach and intra-mural director, "Bill" does an important job as he trains future grid prospects.

JIM SAMPSON

Sampson is a former Fort Hays All-Conference end. This is Jim's second year as an assistant line coach, and he is performing his duties like a true veteran.

Si Clifton

Jay Boyer

SI CLIFTON

Si Clifton, 183 pound fullback from Dodge City, is only a sophomore at Fort Hays State but he is one of the eight lettermen on the Tiger squad. Clifton has scored two of the Tigers three touchdowns this season. One was a 31 yard jaunt against the New Mexico Aggies and the other was a short stab through the line in the game with Pittsburg last week.

JAY BOYER

One of the three seniors on the the squad, Right End Jay Boyer has been a valuable member of the Tiger grid machine for three long years and this season makes his fourth. He and Captain Hunley are the only two players who have already earned three letters. Jay will be missed when Fort Hays State lines up for the opening kickoff next year. He is from Colby and he weighs 180 pounds.

Waldean Hooper

Francis Paronto

FRANCIS PARONTO

The consistent kicking of 185 pound Francis Paronto has pulled the Tiger grid machine out of many a tight spot. A junior from Wakeeny, Paronto is playing his second year as a regular member of the first string. Although he seldom does any actual ball carrying his ability to boot the pigskin should prove an important factor in determining the strength of the Fort Hays team in the next two years.

WALDEAN HOOPER

Hooper is one of the 1939 B squad boys who is doing a great job of filling his position in the Tiger line this year. A guard, Hooper weighs 195 pounds and is one of the best blockers on the team. He gets out of the line fast and his blocking clears the way for a lot of the Tigers' gains. He is a junior and made a freshman numeral at K. U. before transferring to Fort Hays State. His home is Smith Center.

BILL TRUPP

Bill Trupp, 183 pound quarterback, will pilot the Broncos against Fort Hays. Trupp is a veteran at Hastings, but spent a great deal of time on the bench last year with a leg injury.

WARREN GARRISON

Garrison, 168 pound halfback, is the tripple threat man on the Bronco squad. Against Peru he did all of the scoring including the extra points. He holds the lead in Nebraska college scoring.

"Tobe" Hunley

"Pete" Stalcup

TOBE HUNLEY

"Tobe" Hunley, flashy right halfback from St. John, is captain of this year's Tiger eleven. A veteran of three years, Hunley has proven his worth both as a ball lugger and a blocking back and has a reputation for being one of the shiftiest backs in the Central Conference.

Hunley is playing his last year for the Tigers and is expected to turn in some of the best performances of his gridiron career.

MARION "PETE" STALCUP

"Pete" Stalcup goes after a high one, and we see an action picture of a sophomore who already shows promise of developing into one of the greatest ends in Tiger football history. Against Kansas Aggies he played a great defensive game. He is from St. John and weighs 188 pounds. In the summer time he is an outstanding baseball pitcher for the Larned Bee Jays.

TIGER TALES

by MAURY NORRELL

—o—

This afternoon the 1939 edition of the Fort Hays Tigers makes its final appearance on the home gridiron. Hindered by injuries and tough breaks the fighting Tiger eleven prepares to wind up a hectic season with only one victory to its credit. Opening against the New Mexico Aggies at Las Cruces they received a 33-7 drubbing. Then the powerful Wildcat aggregation of Kansas State walloped the hapless Tigers 34-7. Attempting a comeback the Tiger team battled Oklahoma City University to a 0-0 tie in the first home game of the season and held the Pittsburg Teachers 7 all in the next week's struggle. Still showing top form they came within an inch of the coveted victory, dropping a close one to the Ravens of St. Benedict's 12-7. Unable to withstand the strain of such big time competition they slacked up temporarily and allowed the Emporia State Hornets to trample them 21-0. Then returning to native soil they ran rough-shod over the Moundbuilders of Southwestern 46-6 to score the only win so far this season.

Nearing the completion of their 1939 schedule, which has been one of the toughest in history, the Tigers have only two more games this year. Today's encounter with the Broncs from Hastings, Nebr., and the annual football epic with the Wheatshockers of Wichita U. next week-end.

Although very little information is available on today's opponent, the Hastings squad has had a very successful season. Winning every game but one, they boast a sparkling passing attack as well as a tricky box formation which causes their opponents no end of worry. The spark of their offensive attack is Garrison, a triple threat man who has been running wild this season.

Besides being the last home game, today's game also marks the final appearance of four Fort Hays seniors on the local gridiron. "Tobe" Hunley, Claude Bice, Jay Boyer and Guy Barnes will all be graduated before next year's grid season opens. These boys are determined to write "finis" to their careers on Lewis Field in a blaze of glory and their efforts may well be the deciding factor in the outcome of this afternoon's game.

And so we bid farewell to another year of football at Fort Hays Kansas State College and to a team who, although lacking in scoring power, have never failed to provide Tiger fans with their share of thrills. From the standpoint of victories this has not been a successful season. But from the inexperienced youngsters of today will be developed the veterans of the future, and the experience gained in playing such big time competition as was in this year's schedule may provide Hays with a Conference winning team in the years to come.
